The Ugly Game: How Football Lost its Magic and What it Could Learn from the NFL

Reviews

Basically no words to describe. We have read through and I also am sure that I am going to go back to it and read once more once again later on. You may like just how the article writer compose this publication.

THE UGLY GAME: HOW FOOTBALL LOST ITS MAGIC AND WHAT IT COULD LEARN FROM THE NFL

Pitch Publishing Ltd. Paperback. Book Condition: new. BRAND NEW, The Ugly Game: How Football Lost its Magic and What it Could Learn from the NFL, Martin Calladine, At its best, football is a glorious, uplifting, unifying sport. But it hasn't been at its best for some time. Disillusioned by corruption scandals, billionaire club owners and an ever-smaller group of title challengers, Martin Calladine drifted away from the game that had defined 25 years of his life. He found solace in an unexpected place: American football. Despite the glitz and the endless ad breaks, the NFL has a curiously Corinthian purity: preventing teams buying success by sharing TV money equally, having a strict salary cap and, with the draft, letting the worst teams get the pick of the best new players. The Ugly Game is a funny, angry book of essays for football fans setting out where the game has gone wrong and showing that, perhaps surprisingly, the NFL has many of the answers.
